QI Celebration 2026

Harvesting ideas, celebrating impact
& inspiring what's next.

Join us as we celebrate teams who have been driving improvement across our organisation. From innovative ideas to meaningful changes in patient care, staff experience, and service delivery, the QI Celebration event will showcase the achievements that are making a difference every day.

Come and discover inspiring projects, hear firsthand from project leads, connect with colleagues, and share learning from across our services. Help identify ideas that are ready to grow, spread, and deliver even greater benefits. Together, we'll harvest what we've learned, celebrate and recognise excellence through our awards, and inspire what comes next.

12th November 2026 | 13:00 -17:00

Conference Center, Centro Building,
20-23 Mandela Street, NW1 0DU

Scan the QR code to book your place at the event.
